

The Induction Certificate (PCM) is designed to cover all the subject areas that licensees or management need to be aware of in running On-Licensed premises, which encompasses the nationally recognised qualification the 'The National Certificate for Personal Licence Holders'.

Here you learn about how to run your business and what is required from you by law, what forms to complete, how to read a VAT return and much more. Do you really know the difference between Free House, Free of Tie, Managed, or being a Tenant?

A 3 day course that includes: -

- **Unit 1 comprises 8 sections:**
 - Health and Safety at Work
 - Employment Law
 - Drinks Service
 - Cellar Management
 - Catering
 - Financial Management
 - Marketing
 - Customer Service

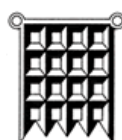

The National Certificate for Personal Licence Holders is designed to meet training and qualification criteria defined by Licensing Authorities.

- **Unit 2 comprises:**
